#### FOR OUR BOYS TO REMEMBER.

There is lots more courage in being whipped by a larger boy than yourself in a good cause than there is in whipping a little fellow. It marks the difference between a boy and a bully.

Don't kick your dog because you know he will forgive you. A boy that takes a mean advantage of a dog's good nature is never the kind of a fellow to take on a camping trip.

The real hunter or sportsman always treats a gun as if it were loaded, even if he knows to the contrary. It's the boy who never had a gun in the woods that plays with it recklessly or points an unloaded gun at anyone.

One good turn deserves another, but it generally brings a good many more than one. A good turn is always a good biggest dividends of any stock in the groceries. market. If you don't believe it, just buy a few shares.
